

# 2024-2025 Resident Consumer Guide to City and Regional Merchants and Service Providers

This guide offers a list of vendors and service providers that at least one Eclipse Mill resident has recommended. Residents can email the Board Secretary at any time to suggest additions or revisions to the guide, which we hope will be updated annually. The guide is not meant to be comprehensive, but is intended to be a helpful resource, especially to newer residents who are only beginning to become familiar with the area and all it has to offer to local consumers.
